

US Series

Solvent-Based Polyurethane Liquid Coatings

Built to Last. Engineered to Shine.

PROTECH
— GROUP —

Overview

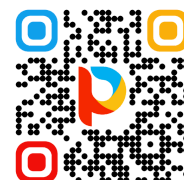

Solvent-based polyurethane coatings offer exceptional durability, chemical resistance, and a smooth, high-gloss finish. Ideal for metal, PVC, and wood, they provide long-lasting protection and easy application. The US Series adds versatility with IR reflectivity and use as a primer or topcoat. Custom colors, textures, and performance options are available to meet specific needs.

Main Features

- Enhanced Finish – High-gloss or anodized appearance for improved aesthetics and protection
- High-Build Coverage – Thicker application reduces the need for multiple coats
- Stain Resistance – Anti-migratory properties prevent tannin bleed
- Infrared Reflective – Lowers solar heat absorption for energy savings
- Superior Durability – Strong mechanical resistance for long-term performance
- UV Stability – Resists fading and discoloration from sun exposure

Common Uses Include

- Windows and Doors
- Automotive & Transportation
- Industrial & Metal Surfaces

US Series

Solvent-Based Polyurethane Liquid Coatings

Typical Properties

Coating Options	Primer or Top Coat
Cure Options	Air dry, Force dry, and Bake
Application	Brush/Roll, Dip and Spray
Substrates	Metal, Wood, PVC, Various plastic, and existing finishes
Gloss Range	Low to High Gloss
Solution-Specific Coatings	US2 Metal Coating (2K) US2 IR Reflective Coating (2K) US2 Wood Block Stain (2K) US1 Wood Series (1K)

Consistent Quality. Proven by Performance.

At Protech Group, quality isn't just a feature—it's a promise. Our coatings are engineered to deliver consistent performance across every application, ensuring reliable results and a flawless finish each time. With rigorous quality control and decades of technical expertise, we maintain the highest standards from formulation to final product. Whether you're coating complex parts or high-volume assemblies, you can count on Protech for dependable performance and superior, long-lasting quality.

Custom Formulations

Leveraging decades of experience, The Protech Group partners with you to create tailored coating formulations that meet your unique application, budget, and production needs.
